AMAPOLA CARDIGAN

by Claudia Q

DESCRIPTION

Amapola is Spanish for Poppy, representing both simplicity and brilliance in this new design. The cardigan is a quick, chunky knit with an elegant detailed neckband, and balloon sleeves that cinch in at the wrist for a feminine look. The Amapola Cardigan is a wonderful transition piece that can be layered up for winter, or celebrated on its own as we move into spring

NOTES

This is a v-necked cardigan worked from the bottom up. The sleeves are picked up at the armhole edge and worked down in the round. Short-rows are worked at the lower edge for a more relaxed fit. Sleeve instructions are written to use DPNs, however an alternate method of working small circumferences can be used, such as Magic-Loop.

STITCH GUIDE

Make double stitch (German Short-rows)

Slip the first stitch on the left needle purl-wise and pull the working yarn over top of the right needle tightly to create a double stitch. This is really the two legs of the stitch in the row below. Reposition the yarn as needed for the next stitch: to the front for a purl stitch, to the back for a knit stitch. Work the next few sts tighter than usual. Later, when working the double stitch, work it as a single stitch (like a k2tog). This is the key feature of the German Short Row.

Ssk (Slip, slip, knit - single decrease)

Slip two stitches knit-wise one at a time from left needle to right needle. Insert point of left needle into front of two slipped stitches and knit them together with right needle (1 st decreased)
