PATTERN NOTES

Shawl is knit from the centre point out, increasing 1 stitch by working a yarn over at the beginning of every row. The Garter stitch border is picked up from the yarn overs at the edge and is shaped using short rows, and has two options for different widths. An optional tassel can be added to the top centre corner.

STITCH GUIDE

KFB (knit in front and back)

Knit into stitch and without slipping it off right needle, knit through the back loop of the same stitch. Slip both stitches off the needle. (1 stitch increased)

M1L (make 1 stitch left leaning)

Insert left needle, from front to back, under strand of yarn which runs between next st on left needle and last st on right needle; knit this st through back loop (1 stitch increased)

M1R (make 1 stitch right leaning)

Insert left needle, from back to front, under strand of yarn which runs between next st on left needle and last st on right needle: knit this st through front loop (1 stitch increased)

w&t (wrap & turn)

Slip next st to the right needle, take yarn to opposite side of work between needles, slip same st back onto left needle. Turn work, ready to begin working in opposite direction.

Concealing wraps is not necessary for this project as the wraps will be hidden in Garter stitch.

Working a Yarn Over (yo) at the beginning of a Row

To begin a row with a yarn over, bring working yarn in front of the needle before working the first knit stitch. When the first stitch is worked, the working yarn will wrap around the right needle, forming a yarn over.

Row 1 (RS): Yo, knit to end. - 1 st increased

Row 2 (WS): Yo, knit to end. - 1 st increased

These two rows form the Garter st pattern.

Place a removable marker into any stitch on the RS of work so you can track which side is the RS and which is the WS, as it can be difficult to tell when working in Garter st.

Work 2 rows of **Garter st pattern** 8 more times. - 21 sts, and 9 Garter st ridges

Begin Drop Stitch Pattern

Row 1 (RS): Yo, [k1, yo] to 1 st from end, k1. - sts will double in number with 1 st increased at beg

These 10 rows form the Drop st pattern.

- 31 sts now on needles, with 14 Garter st ridges

Work the following sections of the Garter st and Drop st pattern. Check off each section as you complete it, and count Garter st ridges on the RS.

Work 2 rows of Garter st pattern 10 times. - 51 sts, 24 Garter st ridges

Work 2 rows of Garter st pattern 10 times. - 209 sts, 103 Garter st ridges

Bind off all sts loosely knit-wise. Break yarns.

Short Row Garter St Border

The following instructions are for two different border options - a narrow border, or a wider border with numbers written in parenthesis (.). When only one number is given, it pertains to both border options.

With A and beginning at left corner of shawl, pick up each yarn over (yo) loop along the edge through the back loop* down to the centre point of shawl, PM, and pick up each yarn over loop along the next edge through the back loop up to the top right corner of shawl.

**picking up the yarn overs through the back loop will twist them on the next row. There are now approx 206 sts (loops) on needle. If st count differs, don't worry, just make sure you have an equal number of sts on each side of marker.*

Rejoin yarns A and B for next row.

Inc Row (WS): KFB into every st to marker, SM, pick up and knit 1 st from centre point of shawl, PM, KFB into every st to end. - 413 sts on needle with 2 markers placed around a centre st

Begin Short Rows

FINISHING

Weave in ends and block to measurements.

Tassel (optional)

With scrap cardboard, cut out a rectangle approx 5" / 13 cm long and 3" / 7 cm wide. Holding yarn A doubled, wrap yarn lengthwise around the cardboard approx 40 times. Make sure not to wrap too tight! Break yarn. Thread tapestry needle with 10 / 26 cm of yarn and tightly tie yarn strands together close to the top of cardboard. At the opposite end of cardboard, cut yarn strands and remove from cardboard. Approx 1" / 2.5 cm down from the top tie, take an 18" / 46 cm length of yarn and wrap it tightly around yarn strands 8-10 times. Tie knot and bury ends inside tassel. Trim ends of tassel and attach to centre point.
