NOTES

This sweater is worked from the top down with raglan shaping. A small section of short rows is worked at the back of the neck and lower hem for a more relaxed fit. Sleeve instructions are written to use DPNs, however an alternate method of working small circumferences can be used, such as Magic-Loop, or a short circular needle for the larger sizes. As the yoke increases or decreases, change to the appropriate length of circular needle. When working stranded colour work, keep floats in the back loose to maintain stretch. For floats longer than 5 sts, twist yarns together in the back.

STITCH GUIDE

Make double stitch (German Short-rows)

Slip the first stitch on the left needle purl-wise and pull the working yarn over top of the right needle tightly to create a double stitch. This is really the two legs of the stitch in the row below. Reposition the yarn as needed for the next stitch: to the front for a purl stitch, to the back for a knit stitch. Work the next few sts tighter than usual. Later, when working the double stitch, work it as a single stitch (like a k2tog). This is the key feature of the German Short Row.

M1L (make 1 stitch left leaning)

Insert left needle, from front to back, under strand of yarn which runs between next st on left needle and last st on right needle; knit this st through back loop (1 st increased)

M1R (make 1 stitch right leaning)

Insert left needle, from back to front, under strand of yarn which runs between next st on left needle and last st on right needle; knit this st through front loop (1 st increased)

M1LP (make 1 stitch left leaning)

Insert left needle, from front to back, under strand of yarn which runs between next st on left needle and last st on right needle; purl this st through back loop, twisting the loop towards the left (1 st increased)

M1RP (make 1 stitch right leaning)

Insert left needle, from back to front, under strand of yarn which runs between next st on left needle and last st on right needle; purl this st through front loop, twisting the loop towards the right (1 st increased)
