

UTOPIA

ELENA SOLIER JANSÀ

Utopia is a cropped top down raglan pullover, knitted seamlessly from the top down in a loose and drapey fabric.

It features an easy and elegant lace pattern on the body and Stockinette Stitch on the sleeves. A little cable detail decorates the raglan seam.

It was originally designed with 3/4 sleeves, this version has been updated for both 3/4 and full sleeves.

"Every year we collect the wool from local flocks to transform it into yarn so that it is no longer considered a waste.

With X O L L A, we aim to contribute preserving the Catalan wool heritage. Creating our yarns is a truly challenge but it also allows us to know every step the production process from sheep to yarn.

— Words from X O L L A.

Thank you so much for getting a copy of one of my patterns.

I love to see your knits, so if you are on Instagram, I invite you to share your work in progress and your finished piece using #norfeusocks and #xollaknits and tagging me @xollawool. And, if you use Ravelry, you can also create a page for your project!

Happy knitting, Elena.
