DS	DS: double stitch, used in German short rows. Knit the indicated number of stitches, turn your work. Bring the yarn to the front of the work, slip the first stitch as if to purl, then bring the yarn up and over the right needle to the back and pull tight to create a double stitch. When you reach this double stitch later, knit or purl through both legs of the stitches as if it were one stitch.
GSR (German short rows)	see explanations for the DS and tips below.
* _____ *	repeat the instructions between the asterisks to the end of the round.

GENERALITIES

Fair isle pattern

The motif is knit using the fair isle stranded colourwork technique with two colours. The yarn not in use must be carried loosely across the back of the work and caught by twisting it with the working yarn every 5 sts maximum. On the following round, make sure to twist the yarns in a different place to avoid little bumps showing on the right side.

Sleeves

With shorter 3.5mm circular needle, or a set of 3.5mm double-pointed needles, and beginning at the centre of the underarm, pick up and knit 8, 9, 9 (10, 10, 11) sts, being careful not to create any holes. Transfer the 64, 66, 70 (74, 78, 80) sts on hold for the sleeve back on the needle and knit them, then pick up and knit 7, 8, 8 (9, 9, 10) sts at the second half of the underarm, being careful not to create any holes. Join in the round, plM (BoR).

There are now 79, 83, 87 (93, 97, 101) st on the needles.

Rnd 1: p1, k78, 82, 86 (92, 97, 100), BoR.

Size 6: k1, *k2tog, k3* 20 times, k2tog (21 dec)

There are 72, 72, 76 (76, 80, 80) sts on the ndl.

Knit 1 rnd.

Join CC and work **CHART B**. The pattern is worked 18, 18, 19 (19, 20, 20) times around.

CHART B SUMMER

CHART B WINTER

Once the chart is finished, break CC yarn and work two more rnds in stockinette in BC.

Cuff

Knit 33 cm in *k2, p2* ribbing pattern.

Then knit 1 rnd and on the next rnd bind off all sts loosely by knitting them.

Steek and Button bands

With the crochet hook, crochet a column of slip stitches over the steek sts 23 and 27 (in CHART A) with a contrasting yarn (see fig. 1), being careful that the fabric does not ripple or pull in.

Then with a sewing machine sew a zig-zag line over the steek sts 24 and 26 (in chart A).

With the 2.5mm ndl (beginning at the left front neckband) pick up 1 st on each row along the outer steek edge and work 10 rows in *k2, p2* ribbing pattern. Then purl 1 row and on the next row bind off all sts loosely by knitting them.

(For some testknitters the cuff became too wide with this method. They picked up less stitches, for instance 3 sts over 4 rounds.)

Work the other border (beginning at the bottom right) making sure the ribbing pattern mirrors the one opposite, and in row 5 work evenly distributed buttonholes. After 10 rows in ribbing pattern, knit 1 row, and on the next row bind off all sts loosely by purling them.

Fig.1

Fig.2

Fig.3

Now

cut the steek carefully in the middle between the zigzag lines.

You can either sew a ribbon over the cut edges or work a row of single crochet (see figs 2 and 3). With both methods be careful that the cut edge does not ripple.

Now fold the borders towards the inside and fix with a few stitches at the top and bottom.

Cut all yarn ends and carefully weave them in. Wash and block your knitting.
