- FO. You may leave a long tail for sewing if you like, but your work will look a lot neater if you use a strand of a split yarn tail to do that instead.

To make **Trousers Leg 2**, rejoin the yarn to the last st of rnd 14 of the trousers and repeat rnds 1-27 of trousers leg 1 (pics 5-6).

STATEMENT RUFFLED CAPE

This piece alone takes about 6 hours and around 30 gr of a 50 gr skein of fingering yarn to make. If you're using a thicker yarn, make sure you have a lot of it :)

Base

This part is crocheted in turning rows. Alternate working 1 row in FLO and 1 row in BLO to make sure all the unworked loops are on the same side of the base as they will be used for making the ruffles.

Ch 33. Start in the 4th ch from hook.

1. 30 tr, ch 3, turn (30)
2. FLO: [2 tr, tr-inc, 2 tr] x 6, ch 3, turn (36)
3. BLO: [5 tr, tr-inc] x 6, ch 3, turn (42)
4. FLO: [3 tr, tr-inc, 3 tr] x 6, ch 3, turn (48)
5. BLO: [7 tr, tr-inc] x 6, ch 3, turn (54)
6. FLO: [4 tr, tr-inc, 4 tr] x 6, ch 3, turn (60)
7. BLO: 8 tr, ch 6, skip 6 sts (this will be the first armhole), 32 tr, ch 6, skip 6 sts (this will be the second armhole), 8 tr, ch 3, turn (60)
8. FLO: tr in each st, ch 2, turn (60)

Ruffles

The ruffles consist of two rows of hdc worked on top of each other (pics 7-10).

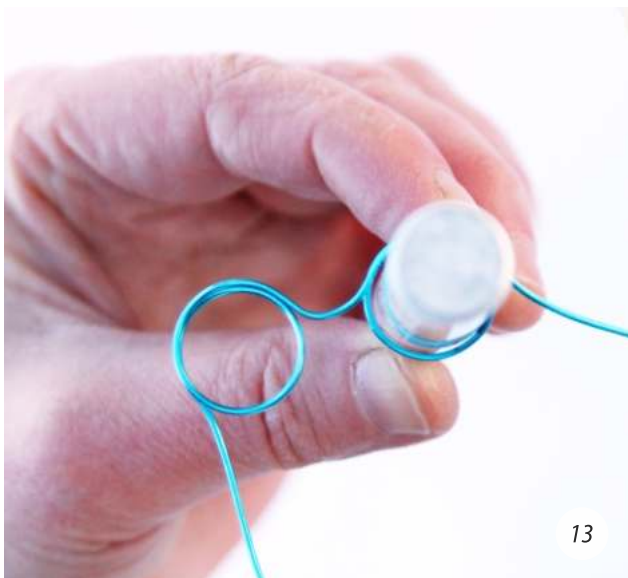

1. hdc-inc in each FL of the base from row 8 to 1 (including an hdc-inc in the turning chains on the side, ch 2, turn (794)
 2. hdc-inc in each in each st you just made, from row 1 to 8 of the base (1588)
- FO, weave in the end.

FINISHING TOUCHES

- Using a water-soluble marker, map out all the facial features (pic. 11). Embroider Catterpillar stitches for the nose and lips (see quick video tutorial on Gwilami's YouTube channel). Embroider a French knot for the chin 1-2 rounds below the mouth using a tail of nude yarn.
- Give your doll some eyelashes using black embroidery or sewing thread (pic. 12). We put white glue on them and let them dry completely before giving them a cut.
- Split a tail of yarn or embroidery floss you made the cheeks with, and, using a single strand, sew them in place.
- Put the trousers on your doll and embroider as many French knots as you want between the turtleneck and the "waistband" to mimick the necklace using scraps of mustard yellow yarn. You may want to add some beads, buttons and sequins you have on hand to make the look more festive!
- Make glasses out of a 2 mm crafting wire (pic. 13) and insert their ends in between the stitches on both sides of the head. For close-up, see the photo on the last page.
- To make sure the cape doesn't slip from the "shoulders", you'll have to either secure it in place with a couple of stitches or give it some ties by passing a 15 cm tail of yarn between the stitches of row 2 and tying it around the "neck".
