Special techniques and tips

German short-rows: see this tutorial for some close-up photos: http://www.youtube.com/watch?v=i_6Pij20zKA

On a RS row: Knit the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first st as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS), bring yarn to front.

On a WS row: Purl the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first st as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS).

Resolving double stitches: When working over double stitches treat them as a single stitch by knitting through both legs of the DS on a RS row (kDS), or purling through both legs of the DS on a WS row (pDS).

Ashes is worked seamlessly from the top down. First a heavy set of short-rows is worked back and forth to shape the V-Neck. Shoulder increases are worked every row (RS and WS) to final shoulder length. From this point front and back are worked separately back and forth to final armhole length. Back and front are then joined to work the body in rounds to the short-row shaped hem. Eyelet lines at both sides of the underarm add interest and a light tapered shaping to the body. Sleeve stitches are picked up around armhole opening to work the sleeves in rounds top down to the cuffs.
