Inspired by cricket sweaters of the 90s, *Dingley Dell* is worked seamlessly from the top down using the contiguous set-in sleeve method (developed by Susie Myers) to shape the shoulders and sleeve caps. Firstly increases are worked on both RS and WS rows to the final shoulder width, then the sleeve caps are worked simultaneously with the V-neck shaping to sleeve separation. The body is then worked top down, in rounds to the bottom ribbing. Short sleeves are also worked top down, in rounds. Neck finishing is worked last.

Stripe sequence

In the sample shown, each stripe is **26 rows/rounds** wide but can be adjusted to any width/sequence you prefer.

For the stripe sequence shown, each size starts with a different number of rows and/or color for the first stripe. This ensures that there is a color change at sleeve separation and that all sizes of the lower body will look the same.

First stripe starting with the WS Set up row:

Work 21 (27, 7, 13, 19)(25, 5, 11, 15) rows in C1 (C1, C2, C2, C2)(C2, C1, C1, C1), then change colors every 26 rows.

Additional information is listed below to assist with placement of the V and sleeve separation when creating your own stripe design.

V-neck join is in row number (incl. the WS Set up row): 82 (88, 94, 96, 98)(102, 102, 102, 106).

Sleeve separation is in row number (incl. the WS Set up row): 74 (80, 86, 92, 98) (104, 110, 116, 120).

Body

Work in Stockinette stitch with purl stitches at the sides until the next color change where the BOR will be moved to the side 'seam'.

Next rnd: remove BOR m, slip stitches unworked from LH to RH needle until you reach the side marker (= new BOR m), sl m, attach new color.

Next rnd: (P1, knit to m, sl m) 2 times.

Repeat **last rnd** until body measures approximately 8.5" (21.5 cm) from underarm.

Next rnd (inc rnd): (P1, k1, M1L, knit to 1 stitch before m, M1R, k1) 2 times. (4 sts inc'd)
108 (116, 126, 134, 144)(152, 164, 176, 186) sts each for front and back

Repeat **last rnd** every 2" (5 cm) 2 more times.

Continue working in Stockinette stitch with purl stitches at the sides until body measures approximately 15" (38 cm) or 1.25" (3 cm) less than desired length from underarm.

Ribbing

Change to US 3 (3.25 mm) and C1.

Next rnd: (P1, knit to m, sl m) 2 times.

BO all stitches in pattern.

Sleeves (both alike)

Place held sleeve stitches on US 4 (3.5 mm) DPNs (or longer circular needle for magic loop), keep working in C1 for short sleeves or resume stripe pattern to add length, beg at the center of underarm, pick up and knit 7 (8, 8, 9, 9)(11, 11, 13, 13) sts from underarm CO, knit across sleeve stitches, pick up and knit 7 (8, 8, 9, 9)(11, 11, 13, 13) sts from underarm CO, place marker for BOR. Distribute stitches so that the first stitch of the round lines up with the purled stitch of the body.

Note: You may want to pick up one more stitch at each edge of the underarm CO to avoid holes at these points. Please decrease these stitches on next round to achieve the correct stitch count for your sleeve.
