Stitches

1x1 Rib (worked in the round)

All rnds: (K1, p1) to end.

2x2 Rib (worked in the round)

All rnds: (K2, p2) to end.

DSS = Double Seed Stitch (4 row/rnd repeat)

This stitch pattern can be worked over any number of stitches. On the first row/rnd, you work (k1, p1) repeating this sequence to the end. On the next row/rnd (a WS row or second round), you work all stitches as they appear (knit the knits and purl the purls). On the third row/rnd, you alternate or switch: you purl the knit stitches and knit the purl stitches. On the fourth row/rnd you work all stitches as they appear again.

Texture pattern (front pattern)

worked over 45 (45, 47, 47, 49, 49) sts

Row 1 (RS): Work Chart A once, work Chart B once, work Chart C1 (C1, C2, C2, C3, C3) once, work Chart D once, work Chart A once.

Continue to work in Chart patterns as set for texture pattern/front pattern.

Charts and written instructions for texture pattern/front pattern can be found on last page(s).

Eri is worked seamlessly from the top down. The front is worked in Double Seed Stitch with a cute textured cable panel down the center. First the yoke is worked back and forth until neck shaping is complete. Then the yoke is worked in the round with raglan increases. When the yoke shaping is complete, the body is worked in the round to the ribbing. Sleeve sts are then picked up again to be worked top down in the round to the end. As this jumper is worked from the top down it is advisable to try it on from time to time to check the length and overall fit. The length and width of the yoke are easily adjustable by adding/ reducing increases or underarm sts.
