Circular Stockinette Stitch: Knit all sts, every rnd.

Yoke Pattern (multiple of 8 sts)

(see chart)

Body Pattern (multiple of 8 sts)

(see chart)

German short-rows: On a RS row: Knit the number of stitches stated in the pattern, turn work; with yarn in front, slip the first st purlwise, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS); move yarn between needles to front of work, ready to purl.

On a WS row: Purl the number of stitches stated in the pattern, turn work; move yarn to front between needles, slip the first stitch purlwise; bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS), ready to knit.

Treat each double stitch as a single stitch on subsequent rows by knitting through both legs of the DS on a RS row and purling through both legs of the DS on a WS row.

NOTES

Make sure to check your gauge over both stockinette stitch and the Fair Isle patterns. You may need to adjust your needle size when working the Fair Isle pattern so that it's the same as your stockinette gauge.
