Special techniques and tips

German short rows: see this tutorial for some close-up photos:

http://www.youtube.com/watch?v=i_6PjI20zKA

On a RS row: Knit the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first stitch as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS).

On a WS row: Purl the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first stitch as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS).

Resolving double stitches: When working over double stitches treat them as a single stitch by knitting through both legs of the DS on a RS row (kDS) or purling through both legs of the DS on a WS row (pDS).

Ooh la la is worked seamlessly from the top down. The back is worked in plain Stockinette stitch while the front features a lace pattern panel at the center. Knitting starts with the cast on of the shoulders for the back. Once the short row shaped shoulder slope is done, the back is worked flat to underarm. Shoulder stitches are picked up to work the front to the same length. At underarm both front and back are joined to work the body top down in rounds to the bottom hem. Sleeve stitches are picked up around the arm openings to work the sleeves (short or long) top down in rounds. Neck finishing is worked last.
