Special techniques and tips

German short rows:

http://www.youtube.com/watch?v=i_6PjI20zKA

On a RS row: Knit the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first stitch as if to purl, bring yarn over the needle to the back of your work and pull tight (this creates the double stitch = DS).

On a WS row: Purl the number of stitches as stated in the pattern, turn work, bring yarn to front, slip the first stitch as if to purl, bring yarn

over the needle to the back of your work and pull tight (this creates the double stitch = DS).

Resolving double stitches: When working over double stitches treat them as a single stitch by knitting through both legs of the DS on a RS row (kDS) or purling through both legs of the DS on a WS row (pDS).

Laia is a sister pattern to [Eula \(published March 2019\)](#) and is a stockinette, buttonless version. It is worked seamlessly from the top down with a cute lace pattern around the top of the yoke. First some short rows are worked back and forth to create a higher back neck and then the yoke is worked in rounds top down to sleeve separation. Some final short rows are worked to finish the yoke shaping right before sleeve stitches are placed on hold, then the body is worked down to the ribbing. For both sleeve length options, held stitches are placed back on the needles to knit the sleeves top down to the cuffs. No additional finishing required.

Instructions
