*Worked from the top down, **ravello** is as simple as it is flattering with its boat neck, some ease and beautifully laid out stripes. One benefit of this pattern is that you can use the fingering weight yarn you have on hand...remember those beautiful sock yarns you have had in your stash for so long...*

Yarn

supersoft uld by HOLST (287 m [313 yards] per 50g), 2 skeins in main color (shown in silver grey), 1 skein in first contrast color (shown in carmine), 2 (2, 2, 2, 2, 2, 3) skeins in second contrast color (shown in flannel grey)

or approx. 385 (405, 425, 450, 495, 525, 555) meters [420 (440, 463, 490, 540, 575, 605) yards] in main color, 160 (170, 175, 180, 190, 200, 205) meters [175 (185, 190, 196, 218, 223) yards] in first CC, 400 (425, 440, 475, 515, 555, 590) meters [436 (463, 480, 517, 560, 605, 643) yards] in second CC of any fingering weight yarn that knits up to the gauge.

Needles

3.5 mm [US 4] circular and DPNs (or longer circular for magic loop), 3 mm [US 2 ½] circular and DPNs for ribbing.

Materials

Stitch markers, holders or scrap yarn, tapestry needle.

Gauge

22.5 sts x 30 rows = 10 x 10 cm [4 x 4 in] in St st on larger needle, after blocking.

Sizes

XS (S, M, L, XL, XXL, XXXL)
finished bust measurements: 88 (92.5, 98, 105, 115, 124.5, 132.5) cm [35 (37, 39, 42, 46, 50, 53) in].
Choose a size with approx. 5 - 10 cm [2 - 4 in] of positive ease, sample is shown with 3 ½ in of positive ease.

Stripe sequence

Rnds 1 – 4: CC

Rnds 5 – 8: MC

Work **rnds 1 – 8** a total of 4 times (4 stripes in CC) then continue working the remainder of the sweater in second CC to end.

As this sweater is worked top down you can easily adjust the size by adding more raglan increase rounds (this will add more length to the yoke and more width to both body and sleeves) or cast on more or less sts for underarm (this will add/ reduce the width of both body and sleeves). Please try your sweater on from time to time to check the fit.

Rep **rnds 1 + 2** until you have 63 (64, 66, 68, 73, 78, 81) sleeve sts between markers, **AT THE SAME TIME** when piece measures 9 (9½, 11¼, 12, 15, 17½, 19) cm [3½ (3¾, 4½, 4¾, 6, 7, 7½) in] (measured from back neck down), start working stripes (see stripe sequence).

Feel free to do more or less stripes to suit your body type or preferences.

You will have 93 (96, 98, 104, 107, 112, 115) sts (back/ front), 63 (64, 66, 68, 73, 78, 81) sts (each sleeve).

When body measures approx. 35 cm [14 in] or desired length minus 5 cm [2 in] from underarm CO, adjust st count for bottom ribbing:

SIZES XS and XL: Continue with bottom ribbing.

SIZES S (M, XXL, XXXL):

Next rnd: P1, k1, sm, k1, p1, k2, M1L, k to 2 st before next m, p1, k1, sm, k1, p1, M1L, k to end. (2 sts inc'd)

Continue with bottom ribbing.

SIZE L:

Next rnd: P1, k1, sm, k1, p1, k2tog, k to 2 sts before next m, p1, k1, sm, k1, p1, k2tog, k to end. (2 sts dec'd)

Continue with bottom ribbing.

Bottom ribbing

Change to smaller needle.

Next rnd: P1, k1, remove m, k1, *p1, k2; rep from* to 2 sts before m, p1, k1, remove m, k1, **p1, k2; rep from** to end.

Work ribbing as set until body measures 40 cm [16 in] or desired length. BO in pattern.

Neck finishing (optional)

ravello is designed to have an unfinished neckline, but we all have different preferences – and that's good! For a more finished neckline you may want to choose one of the following options (please note that these two options will give you a narrower neckline).

I-Cord option

(See [this tutorial](#)

(<http://tanglednews.wordpress.com/tutorials/i-cord-bind-off/>))

With smaller needle, beg at the center of the back neck, pick up and knit 120 (120, 120, 120, 120, 124, 128) sts from neck CO, change to main needle and CO 3 sts using cable cast on method, *k2, k2tog tbl, sl 3 sts back to left needle and rep from* to end, graft end of I-Cord together with CO of I-Cord.

Ribbing option

With smaller needle, beg at the center of the back neck, pick up and knit 120 (120, 120, 120, 120, 124, 128) sts from neck CO, pm (BOR m).

Next rnd: *K1, p1; rep from* to end.

Work 4 more rounds in established ribbing. BO in pattern.

Sleeves (both alike)

With DPNs or longer circular needle for magic loop pick up and knit 4 (5, 5, 6, 7, 8, 8) sts from underarm CO (beg at the center of underarm CO), knit 63 (64, 66, 68, 73, 78, 81) sts from holder, pick up and knit 4 (5, 5, 6, 7, 8, 8) sts from underarm CO, pm (BOR).

Next round: P1 (faux seam st), k1 (2, 2, 3, 4, 5, 5), k2tog, k to 4 (5, 5, 6, 7, 8, 8) sts before end,

ssk, k to end.

You will have 69 (72, 74, 78, 85, 92, 95) sts on your needle.

Note: Please read the entire sleeve section before continuing

Next round: P1, k to end.

Rep last round once more (keep the faux seam st in reverse St st for the entire sleeve).

Next rnd (dec rnd): P1, k1, k2tog, k to 3 sts before end, ssk, k1.

Rep dec rnd every 6th rnd 2 (2, 2, 2, 2, 2, 2) more times, then every 9th rnd 2 (2, 2, 2, 3, 4, 4) times, then every 12th rnd 3 (3, 4, 5, 6, 6, 6) times.

You will have 53 (56, 56, 58, 61, 66, 69) sts on your needle.

AT THE SAME TIME after finishing the 9th stripe of contrast color from underarm CO, stop working stripes and continue in main color to end.

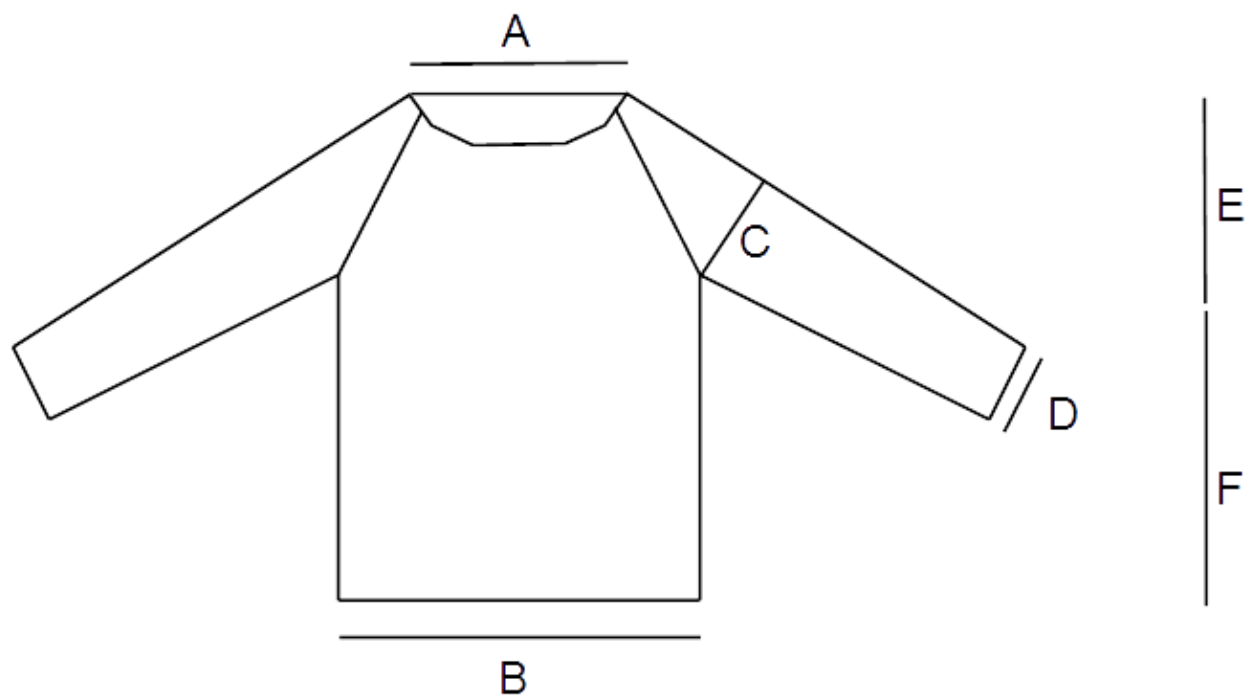

When sleeve measures 40 cm [16 in] or your desired length minus 3.5 cm [1 ½ in] from underarm CO, dec 1 (0, 0, 0, 1, 0, 1) st to obtain an even number of sts for ribbing, change to smaller needle and Work 10 rounds in p1, k1 ribbing.

K 2 rounds, BO all sts.

Weave in all ends and wet block to measurements.
