Yarn

WOLLkenschaf DK Merino [252 yds (230 m) per 100g],
2 skeins or approximately 460 yds (420 m); *shown in color Stahlhell*

Needles

US 6 (4 mm) circular needle, 40" (100 cm) long or size needed to get gauge.

Gauge

20 sts x 40 rows = 4 x 4" (10 x 10 cm) in garter stitch after blocking.

Gauge is not crucial for this project but will affect yardage and final size when different.

Finished measurements

26" (66 cm) wide, 9.5" (24 cm) high at the sides.

Notions

Tapestry needle, blocking tools.

Notes

La vie est belle (Dieppe) is a fun accessory that combines the shape of a triangular shawl with a casual cowl. It is worked back and forth on the bias, from the right edge towards the left edge in 3 steps. In step 1 increases are worked at the end of every row to create a little triangle (the side of the triangle determines the height of the cowl/shawlette). In step 2 increases are only worked at the end of every RS row, and in step 3 decreases are worked at the end of every RS row to create the left edge that will be sewn to the right edge. Easy lace pattern bands add interest and make knitting this a fun experience. The combination of lace and squishy garter stitch gives this cowl/shawlette a sophisticated yet casual look.
