

A close-up photograph of a woman smiling, wearing a light-colored, knitted shawl with tassels over a purple dress. The shawl has a delicate lace-like pattern and tassels along the edges. The background is blurred, suggesting an outdoor setting.

amren

In the quiet hours, under moon's gentle gaze, Amren whispers. A single skein of silver dreams, delicate as morning's first light. Not just a shawl, but a jewel to grace your presence.

amren

A simple and delicate shawl designed to use a special skein of luxurious yarn.

Amren is worked in sections, from tip to tip alternating bands of easy lace, garter stitch and small short row wedges.

FINISHED MEASUREMENTS

Wingspan: 62" [155 cm].

Depth at deepest point: 20¾" [52 cm].

MATERIALS

Yarn:

I used a single skein of yarn with a relatively long meterage, and I used EVERY SINGLE YARD. If you choose a skein of yarn that has less yardage than the recommended one, or if you normally use more yarn than what patterns call for, you may bind off sooner, or start the final lace section when you have 10 grams left. If you do so, you might need to adjust your stitch count so that it works with the lace pattern: a multiple of 6 + 5.

1 skein of Light Fe by Sägen (70% Baby Alpaca / 20% Silk / 10% Cashmere / 440 yd [400 m]) or approx. 440 yards [400m] of fingering weight yarn.

The sample was made using color Ulven.

Needles: US 5 [3.75 mm] needles.

Other notions: Tapestry needle, blocking pins or wires.

GAUGE

20 sts and 33 rows to 4" [10 cm] in garter st on US 5 [3.75 mm] needles after blocking and stretching.

Before measuring, make sure your swatch goes through the same blocking and pinning process as your shawl will.

Tips for substituting

Make sure you have enough yardage to complete this shawl! Yes, in order to make it as pictured in these photos, with the fringe and all, you'll need all 440 yards. The fringe takes approx. 30 yards.

FINISHING

Weave in ends and block shawl to finished measurements.

Add Tassel Fringe (optional)

If you have enough yarn remaining, you can add a tassel to each picot.

To make mine, I cut 14" (35 cm) long strands of yarn and folded them in half 4 times and then used a crochet hook to attach them to the bind off edge of my shawl. After putting them into place I trimmed the ends.

I placed them approx. 1" apart from each other, or 8 rows of garter stitch. I first added a tassel to the edge of each lace band, and then tried to spread tassels evenly along each of the sections of the shawl.

GLOSSARY

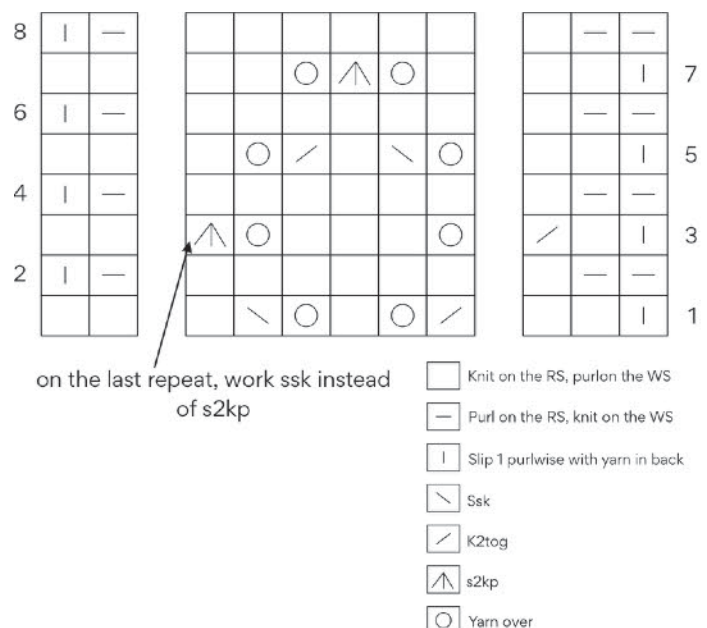

Short Rows (w&t)

Short rows are a technique used to add extra rows invisibly in the middle of the knitting. You can find several tutorials online.
