

A woman with long dark hair, wearing a white sleeveless top, is smiling and holding a large, colorful, patterned shawl. The shawl features a complex geometric design in shades of green, blue, and orange. The background is a plain, light-colored wall.

A luminous shawl

crystal fantasy

The moment I received this yarn, it made me think of beautiful gemstones, sparkling in a myriad of colors.

I designed a shawl with a geometric, almost crystal like shape, with diamonds and ridges, to capture this effect.

crystal fantasy

This wrap is worked from both ends towards the middle, so for most of it you will have to work 2 identical pieces, until you join everything together at the centre.

It uses two types of yarn: a single ply merino and a fuzzy blend of alpaca and silk in the same colorway.

FINISHED MEASUREMENTS

Approx. 76½" [191 cm] long and 18" [45.5 cm] wide (after blocking).

MATERIALS

Yarn 1: 1 skeins of *Merino Singles* by La Bien Aimée (100% Merino; 400 yards [366m]/100g) or approx. 400 yards [366m] of fingering weight yarn. Shown in colorway *Azulita*.

Yarn 2: 1 skein of *Kumo* by La Bien Aimée (74% Baby Suri, 26% Mulberry Silk; 328 yards [300 m]/50g) or approx 328 yards [300m] of fuzzy fingering weight yarn. Shown in colorway *Azulita*.

Attention: I used the full amount of yarn listed in the requirements, with very little to spare. If you tend to run out of yarn for some projects, you may want to use a slightly smaller needle.

Needles: US 6 [4 mm] needles.

Other notions: 3 stitch holders, stitch markers, tapestry needle, blocking pins or wires.

GAUGE

18 sts and 28 rows to 4" [10 cm] using US 6 [4 mm] needles, in stockinette stitch (after blocking).

Tips for substituting

My intention was to play with the different texture and looks of these two yarns. You can also use the same base in 2 different colors, or two different bases and 2 different colors.

Using 2 colors will result in a more contrasted and striped effect.

DIRECTIONS

The instructions are given for one piece and then the pattern will tell you to work another piece to match.

Break yarns.

Turn your work as if to start a RS row. Place the first 55 sts onto a holder or waste yarn, remove the first marker and place the central st on hold too. We will call these sts 'ON HOLD A'. Place the remaining 55 sts on a separate st holder or waste yarn, removing the marker. We will call these sts 'ON HOLD B'.

Start another **chevron**, and work exactly as for the first one, except don't break yarn 2 when you finish. Instead, move to the next section where I'll explain how to put all pieces together.

Triangle 1

With yarn 2 still attached to your second chevron piece:

Row 1 (RS): Sl1, k1, k2tog, k to 1 st from m. Slip next st to the right needle, remove marker, slip central st to the right needle and remove marker.

Place the remaining 55 sts onto a holder or waste yarn. We will call these sts 'ON HOLD C'.

Now pick up your first piece and place the sts 'ON HOLD B' onto your left needle.

Move the 2 sts you slipped to the right needle, back to the left needle and get ready to start working again, you will be joining pieces 1 and 2 now.

S2kp (double central decrease), k to 4 sts from end, ssk, k2. 107 sts remain.

Use a split ring st marker or a safety pin to mark your central decrease stitch.

Row 2 (WS): Sl1, k to central decrease st, p1, k to end.

Row 3: Sl1, k1, k2tog, k to 1 st before central decrease st, s2kp, k to 4 sts from end, ssk, k2. (103 sts).

Row 4: Same as row 2.

Section 1 (lace)

Continue with yarn 2.

Row 1 (RS): Sl1, k1, k2tog, k to 1 st before central decrease st, s2kp, k to 4 sts from end, ssk, k2. (99 sts).

Triangle 2

Place the sts ON HOLD A back on the needles, get ready to start a RS row using yarn 2.

Row 1 (RS): Sl1, k1, k2tog, k to 2 sts from end. Slip the next 2 sts to the right needle.

Place the sts ON HOLD C onto the left needle.

Move the 2 sts you slipped to the right needle, back to the left needle and get ready to start working again.

S2kp (double central decrease), k to 4 sts from end, ssk, k2. 107 sts remain.

Use a split ring st marker or a safety pin to mark your central decrease stitch.

Work the rest of Triangle 2 in the same manner as you did for Triangle 1, starting on Row 2.

FINISHING

Weave in ends and block shawl to finished measurements. You can close the hole in the center of the shawl using darning needle and your working yarn.
