Pattern includes charts and written directions. As with all my other patterns, this pattern comes with row-by-row written direction in US crochet term and charts.

PART C: Rows 1 - 10 (SIZE XL ONLY)

Pattern Repeat 12 times

**Note for Part C:**

1. Ch1 in the beginning of row is turning chain, does not count as stitch.
2. Ch2 between sc counts as 1 st and not 2 sts. Always skip 1 st after ch2, I will only write skip.
3. Sc means sc in next st.
3. Starting Row 7, place removable marker in the beginning stitch of every repeat pattern to make it easier to keep track. Each repeat of the following odd number rows must in one line with the marker. Replace the marker to the newer odd number rows as you progress and do not forget to add marker as new repeats develop as the shawl getting larger.

PHOTO TUTORIAL 1: PLACING BEAD

1. Slip the stitch off the hook and onto the small hook with bead.

2. Slide the bead off the hook and onto the stitch.

3. Slip the stitch back to the larger hook.

PHOTO TUTORIAL 2: CARRY YARN UP THE SIDE

1. Take your unused yarn and pass it between your working yarn and your crochet hook.

2. Let the unused yarn fall to the back of your working yarn. Pick the working yarn up and working the next stitch indicated in the pattern.

3. Your unused yarn should now be trapped.

Note: Essentially, you want to keep the unused yarn running along the side of your work at just the right tension. Too tight and it will shorten the sides of your row. Thus when it is time to use the unused yarn, make sure you stretch your work.
