

LUNETTE

Crescent Lace Shawl

by Lily Go

LUNETTE COMPONENTS

Materials

350 (440, 640, 815) yards of lace weight wool yarn

1 (1, 2, 2) skein(s) of Brooklyn Tweed *Plains* (100% American Rambouillet wool; 440 yards/50g)

Medium Shawl photographed in color *Flurry*

Note: Sample shown used almost all of one skein. If you do not obtain the same gauge, you may require more yarn.

Gauge

28 stitches & 32 rows = 4" in stockinette stitch with Size A needle, after blocking

One 16-stitch repeat from Chart A measures 3½" wide with Size A needle, after blocking

One 16-stitch repeat from Chart B measures 3¼" wide with Size A needle, after blocking

Needles

Size A (for Shawl)

One 32" circular needle in size needed to obtain gauge listed

Suggested Size: 3½ mm (US 4)

Size B (for Cast On only)

One 32" circular needle three sizes larger than Size A

Suggested Size: 4½ mm (US 7)

Finished Dimensions

Small (Medium, Large, Extra Large) Shawl

69½ (83½, 97½, 111½)" [176.5 (212, 247.5, 283) cm] along cast-on edge; 38½ (44½, 50½, 57)" [98 (113, 128.5, 145) cm] wingspan; 12¼ (14¼, 16¼, 18¼)" [31 (36, 41.5, 46.5) cm] height at center spine

Measurements taken from relaxed fabric after blocking

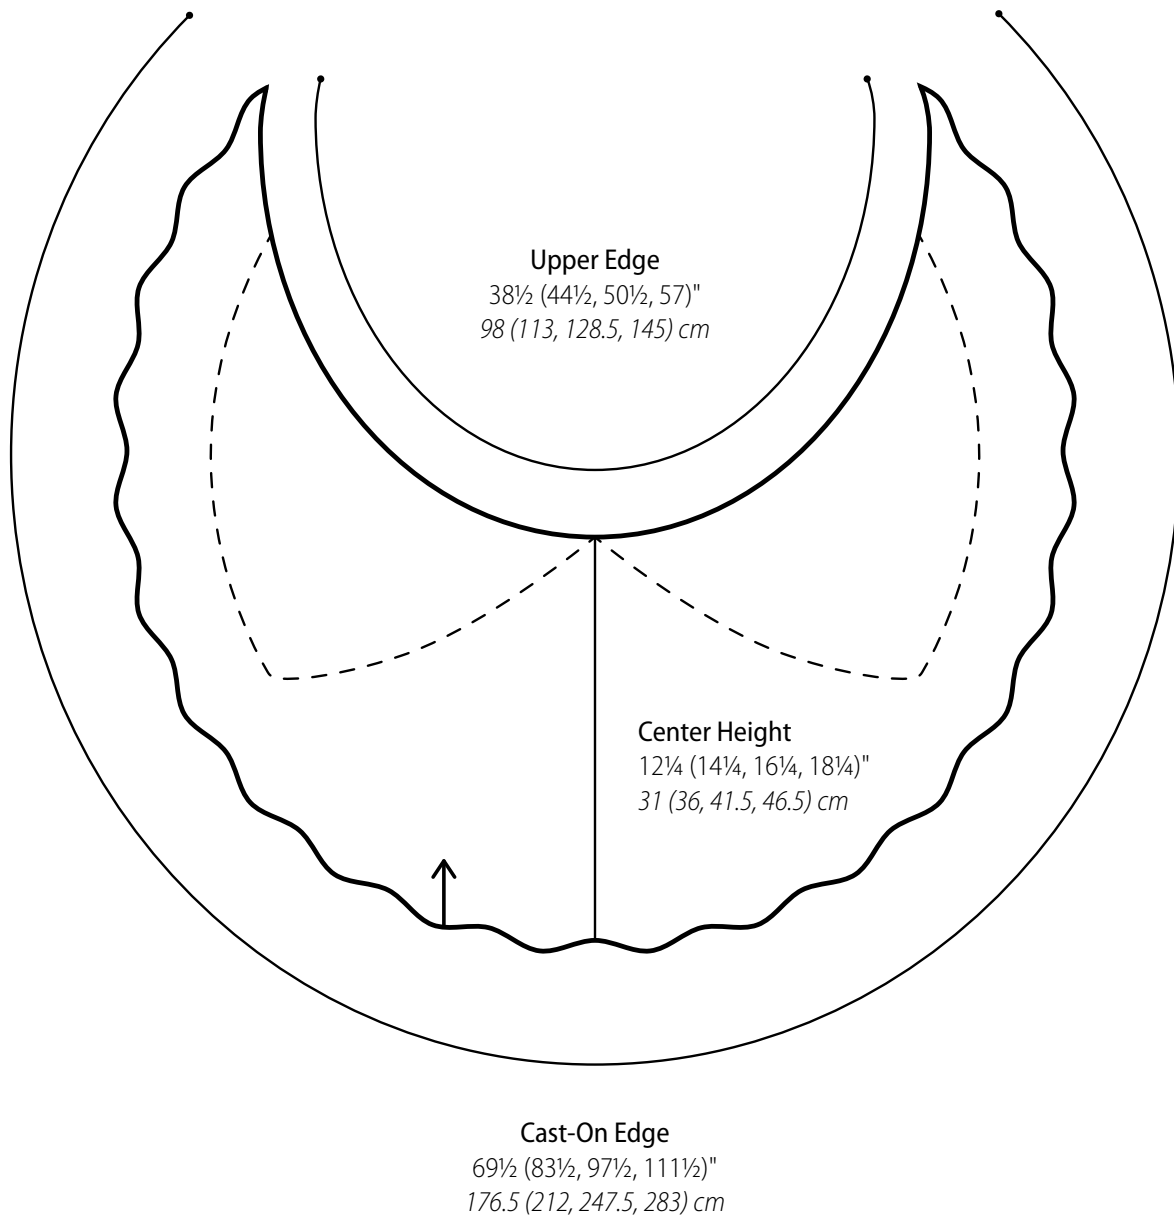

Additional Tools

Stitch markers, T-pins, blocking wires (optional), blunt tapestry needle

LUNETTE SCHEMATIC

ABOUT THIS DESIGN

Lace butterflies skirt this shawl and sweep up the center in a merry flock. The scalloped edge softens the triangular inner forms into an organic deep crescent that naturally wraps your shoulders and hangs prettily in place without the aid of a pin. This is piquant lace knitting, with no “resting rows” between lace maneuvers in many of the charts. Directions are given for four sizes; the two smallest can be worked from a single skein of Plains.

CONSTRUCTION NOTES

- This shawl is worked from the bottom up, beginning with a Cabled Cast On using the larger needle. The rest of the shawl is worked using the smaller needle. The shawl body is composed of three triangles: two right-angled triangles on the left and right sides and one equilateral triangle in the center.
- Instructions for the small shawl appear first, followed by the larger shawls in parentheses. If only one figure appears, it applies to all sizes.
- Read RS (odd-numbered) chart rows from right to left; read WS (even-numbered) chart rows from left to right.

SHAWL

With Size B 32" circular needle (suggested size 4½ mm/US 7), cast on 318 (382, 446, 510) stitches using the Cabled Cast On (see *Special Techniques*). Do not join; work back and forth in rows.

Border

Switch to Size A 32" circular needle (suggested size: 3½ mm/US 4).

Work Rows 1–14 of Chart A once, decreasing as indicated. [294 (358, 422, 486) stitches remain]

Work Rows 1–8 of Chart B twice, working 16-stitch repeat 15 (19, 23, 27) times per row on first repeat and 14 (18, 22, 26) times per row on second repeat and decreasing as indicated. [278 (342, 406, 470) stitches remain after first repeat; 262 (326, 390, 454) stitches remain after second repeat]

Body

Next Row (RS): Work Row 1 of Chart C: Right Side over 67 (83, 99, 115) stitches [decreasing to 65 (81, 97, 113) stitches] and working 8-stitch repeat 5 (7, 9, 11) times, place marker, work Row 1 of Chart C: Center over 128 (160, 192, 224) stitches [decreasing to 124 (156, 188, 220) stitches] and working 16-stitch repeat 4 (6, 8, 10) times, place marker, work Row 1 of Chart C: Left Side over 67 (83, 99, 115) stitches [decreasing to 65 (81, 97, 113) stitches] and working 8-stitch repeat 5 (7, 9, 11) times.

Work through Row 16 of chart, decreasing as indicated. [198 (262, 326, 390) stitches remain: 51 (67, 83, 99) stitches on right and left sides; 96 (128, 160, 192) stitches in center]

Repeat Rows 1–16 of chart 1 (2, 3, 4) more time(s), working 8-stitch repeats on right and left sides and 16-stitch repeat in center two times fewer upon each repeat. [134 stitches remain: 35 stitches on right and left sides; 64 stitches in center]

Next Row (RS): Work Row 1 of Chart D: Right Side to marker, slip marker, work Row 1 of Chart D: Center to marker, slip marker, work Row 1 of Chart D: Left Side to end. [126 stitches remain]

Work through Row 30 of chart, decreasing as indicated. [14 stitches remain]

Next Row (RS): Knit 3, [SKP] twice, [k2tog] twice, knit 3. [10 stitches remain]

Next Row (WS): Knit 3, purl 4, knit 3.

Next Row (RS): Knit 3, SKP, k2tog, knit 3. [8 stitches remain]

Next Row (WS): Knit 3, p2tog, knit 3. [7 stitches remain]

Next Row (RS): S1K2P, knit 1, S1K2P. [3 stitches remain]

Next Row (WS): S1K2P. [1 stitch remains]

Break yarn and draw through final stitch to fasten off.

FINISHING

Wet-block shawl to schematic measurements (see *Special Techniques*). Weave in any remaining ends invisibly on the WS of fabric.

SPECIAL TECHNIQUES

Cabled Cast On

Make a slip knot on L needle to begin, insert R needle into slip knot and knit a new stitch. Place new stitch on L needle. *Insert R needle between the first and second stitches on the L needle, wrap strand of yarn around R needle as you would for a knit stitch and pull through, place this new loop onto L needle; repeat from * until required number of stitches have been cast on. After last stitch has been cast on, slip last stitch purlwise to R needle, bring working yarn to front between needles, return last stitch to L needle and pull working yarn snugly. Repositioning the working yarn in this way creates a cleaner edge at the end of your cast-on row.

Wet-Blocking

Fill a sink or basin with warm water and a small amount of delicate dish soap or rinseless wool wash. Submerge fabric in water, gently squeezing out any air bubbles so that the piece can remain under water without being held there. Soak work for 30 minutes, allowing fabric to become completely saturated.

Drain the sink and remove work. If you have used dish soap (rather than rinseless wool wash), you will want to fill the sink again once or twice to rinse the soap from your fabric. Never place knitting directly under running water.

Squeeze out excess water from your work, taking care not to twist or wring fabric. Roll your fabric between two clean bath towels “burrito style” and firmly press towel roll. This will aid in removing moisture from the knitted piece. Remove piece from towels – your fabric should now feel damp but not saturated.

If using flexible blocking wires, you can weave the wires through sections of the shawl edges and pin the wires into a curved shape.

Pin blocking wires (if applicable) in place on a blocking board or other appropriate surface, using instructed dimensions. If using T-pins only, use as many pins as required to block piece into desired shape. Allow fabric to air dry completely before removing.

ABBREVIATIONS

See Chart Legend for Abbreviations not listed here.

RS (Right Side): This term refers to the public side of the knitted fabric, i.e. the fabric that will be visible when garment is worn. In projects with reversible fabrics, RS will be assigned specifically at the beginning of the pattern.

WS (Wrong Side): This term refers to the non-public side of the knitted fabric, i.e. the fabric that will not be visible when garment is worn. In projects with reversible fabrics, WS will be assigned specifically at the beginning of the pattern.

L: Left (Generally used in technique instructions to indicate which of your two working needles is being used)

R: Right (Generally used in technique instructions to indicate which of your two working needles is being used)

LEGEND

- | | | | |
|---|---|---|--|
|  | Knit: On RS, knit stitch; on WS, purl stitch |  | K3tog: Knit 3 stitches together (<i>2 stitches decreased; leans right</i>) |
|  | Purl: On RS, purl stitch; on WS, knit stitch |  | S1K2P: Slip 1 stitch knitwise from L to R needle, knit two stitches together, pass the slipped stitch over the stitch just worked (<i>2 stitches decreased; leans left</i>) |
|  | YO (Yarn Over): With yarn in front, bring yarn over top of R needle from front to back, creating 1 new stitch |  | No Stitch: No stitch exists here in your knitting. Ignore this symbol and proceed to next working stitch in row. (This symbol is a tool used to keep the chart aligned properly when the stitch count in a row changes) |
|  | K2tog/P2tog: On RS, knit two stitches together; On WS, purl 2 stitches together (<i>1 stitch decreased; leans right</i>) |  | Repeat: Bracketed motif is repeated more than once |
|  | SKP/P2tog-tbl: On RS, slip 1 stitch knitwise from L to R needle, knit 1 stitch, pass the slipped stitch over; On WS, purl two stitches on L needle together through the back loops (<i>1 stitch decreased; leans left</i>) |  | Marker: Indicates location of stitch marker |

Make Butterfly: See photo tutorial below (*10 stitches when complete*)

TUTORIAL: MAKE BUTTERFLY

Step 1: Unravel the next 2 stitches down to the double yarn over 5 rows below.

Step 2: {[Purl 1, knit 1] twice} into the top strand.

Step 3a: Place L needle tip under all 5 strands (dropped stitches)

Step 3b: [Purl 1, knit 1] into all 5 strands.

Step 4: {[Purl 1, knit 1] twice} into the remaining portion of the top strand.
