BOTTOM RIBBING:

Work in 1x1 ribbing *K1, P1* until the end of the round, as many rounds as necessary until the ribbing measures 3 cm (1.25").

Bind off all sts loosely as they appear.

SLEEVES:

Place the sts for one sleeve back on the needles and place a marker at the middle of the underarm to indicate the beginning of the round. Work in stockinette stitch in the round (knit across) while at the same time decreasing two sts every 3 cm (1.25") approximately. Make the decreases as follows: Work SSK before the marker and K2tog after the marker. Be careful to make the decreases centred on the beginning of round marker. Once you have reached the desired sleeve length minus 3 cm (1.25"), make sure that the stitch count is a multiple of 2 and adjust if necessary. Work 3 cm (1.25") of *K1, P1* rib. Bind off all sts loosely, following the same instructions as for the body.

Work the other sleeve identically.

FINISHING:

Weave in all ends with the tapestry needle. Block your sweater and it is ready to wear.
