

MAR SHAWL

SugarWoolly – JENUARY 2020

The day I knew that the baby I was expecting was going to be a girl, I knew that her name would be Mar, the sea in Spanish, (luckily this name also pleased my husband and our other children).

I wish for her the same strength as the rough sea, the intelligence of the water to get where she wants and her capacity for transformation and adaptation, the beauty of being a natural element and the serenity to face the life of a calm sea.

Little Mar is already 5 months old and the shawl she inspired comes to light.

I encourage you to share your progress on social media with the hashtag **#MarShawl** to tag me @sugarwoolly and to open a project in Ravelry. I will love to see how you are doing. If you have any questions do not hesitate to send me an email to sugarwoolly@gmail.com, it will be great to be able to help you. HAPPY KNITTING!

ABOUT THE PATTERN

The **Mar Shawl** is a crescent shawl knitted top down. It has 4 stitches increased on each odd row by making a 2yo at the beginning and at the end.

It combines Stockinette stitch, which represents the calm sea, with lace simulating the waves of the sea and ends with a combination of Yarn Over Bind Off and Picot Bind Off that evoke the splashes of the sea when they hit the rocks.

In the pattern you will find 2 different measures knitted with 1 or 2 skeins of fingering weight yarn, respectively.

It is an advanced beginner level pattern ideal for knitting while talking with friends or watching television as it is very easy to memorize.

I wish you enjoy knitting it as much as I did. Happy Knitting!
