

PetiteKnit

ELISABETH BLOUSE

Sizes:	XS (S) M (L) XL (2XL) 3XL (4XL) 5XL
Bust circumference:	90 (96) 101 (106) 117 (125) 136 (146) 155 cm [35½ (37¾) 39¾ (41¾) 46 (49¼) 53½ (57½) 61 inches]
Length:	50 (51) 52 (53) 55 (56) 57 (59) 60 cm [19¾ (20) 20½ (21) 21½ (22¼) 22½ (23¼) 23½ inches] (measured mid back excl. collar)
Gauge:	23 sts x 32 rows = 10 x 10 cm [4 x 4 inches] in stockinette stitch on 4 mm [US6] needles
Needles:	Circular needles: two sets of 4 mm [US6] / 80 and/or 100 cm [32 and/or 40 inches], 3.5 mm [US4] / 80 and/or 100 cm [32 and/or 40 inches] and 2.5 mm [US1½] / 60 cm [24 inches] Double-pointed needles: 3.5 mm [US4] and 4 mm [US6] (unless you are using the <i>Magic Loop technique</i>)
Materials:	Suggestion 1: 250 (250) 275 (300) 325 (350) 375 (400) 400 g Cashmere Classic by Cardiff Cashmere (25 g = 112 m [122 yds]) or Cashmere 6/28 by Pascuali (25 g = 112 m [122 yds]) or Cashmere Premium by Lang Yarns (25 g = 115 m [126 yds]) or Cashmere by Mondial (25 g = 115 m [126 yds]) Suggestion 2: 200-250 (250) 250 (300) 300 (350) 350 (400) 400 g Merino by Knitting for Olive (50 g = 250 m [273 yds]) held together with 125-150 (150) 150 (175) 175 (200) 200 (225) 225 g Silk Mohair by Isager Yarn (25 g = 212 m [232 yds]) Suggestion 3: 300 (300) 350 (350) 400 (400-450) 450 (500) 500 g Pernilla by Filcolana (50 g = 175 m [192 yds])

PATTERN

The Elisabeth Blouse is worked from the top down. First the collar is worked so that it has stockinette stitch with the RS facing out on both front and back. After this, the first section of the yoke is worked back and forth with raglan increases on a circular needle. Stitches are picked up and knitted along the edges of the yoke, and double knitted front edges are worked along these, before the rest of the yoke is joined in the round and completed in this way. The neckline is shaped using short rows.

The following techniques are used in this pattern: *Judy's Magic Cast On*, *German Short Rows*, double knitting and the Italian bind-off technique. Start by knitting a swatch to determine which needle size you need to achieve the correct gauge.

Size guide

The Elisabeth Blouse is designed to have approx. 6 cm [2¼ inches] of positive ease, meaning it is designed to be approx. 6 cm [2¼ inches] larger in circumference than your bust measurement. The sizes XS (S) M (L) XL (2XL) 3XL (4XL) 5XL are designed to fit a bust circumference of 80-85 (85-90) 90-95 (95-100) 100-110 (110-120) 120-130 (130-140) 140-150 cm [31½-33½ (33½-35½) 35½-37½ (37½-39½) 39½-43¼ (43¼-47¼) 47¼-51¼ (51¼-55) 55-59 inches]. The measurements for the finished garment are listed on the front page of the pattern. Note that these measurements are only achieved if the design is knitted in the correct gauge. Before beginning your project, measure yourself to determine which size will fit you the best. For example, if you measure 90 cm [35½ inches] around your bust (or around the widest part on your upper body) you should knit a size S. A size S sweater has a bust circumference of 96 cm [37¾ inches] which in the given example would give you 6 cm [2¼ inches] of positive ease.

About increases

Increases are worked on both sides of 3 raglan stitches so that they either slant right (M1R) or left (M1L) (see video at www.petiteknit.com).

M1R: Insert left needle under the strand that runs between the stitches from back to front, then knit this strand.

M1L: Insert left needle under the strand that runs between the stitches from front to back, then knit this strand through the back loop.

Collar and first section of yoke

The collar is worked so that it has stockinette stitch with the RS facing out both on the front and on the back. This is achieved by casting on the stitches for both the front and back at the same time using *Judy's Magic Cast On*. After the cast-on, the collar is worked by alternately knitting a row across the front (from the RS) and a row across the back (from the RS), so the two layers of the collar are worked at the same time and there is a gap in between them. You need **two sets of 4 mm [US6] / 80 cm [32 inches] circular needles** for the cast on (see video at www.petiteknit.com).

Cast on 196 (196) 196 (200) 200 (204) 204 (208) 208 sts using *Judy's Magic Cast On* on two sets of 4 mm [US6] / 80 cm [32 inches] circular needles – meaning 98 (98) 98 (100) 100 (102) 102 (104) 104 sts have been cast on on each of the two needles. The circular needle that is closest to you when you're casting on is the first needle you knit across.

Work as follows:

Row 1 (front): Knit across sts on needle using the circular needle that the sts are on.

Row 2 (back): Knit across sts on needle using the circular needle that the sts are on.

Repeat Rows 1 and 2 so the front and back of the collar is worked in the round and a gap is created between the two sides until the work measures 9.5 (9.5) 10 (10) 10.5 (10.5) 11 (11) 11 cm [$3\frac{3}{4}$ ($3\frac{3}{4}$) 4 (4) $4\frac{1}{4}$ ($4\frac{1}{4}$) $4\frac{1}{4}$ ($4\frac{1}{4}$) $4\frac{1}{4}$ inches] from the cast-on edge (see video at www.petiteknit.com).

Before continuing to the next step, weave in the end from the cast-on discreetly, as the next step will close the opening to the gap between the two layers of the collar. Take care that the weaving in looks neat from the RS, as it is located on a very visible part of the blouse.

You now have a collar with 196 (196) 196 (200) 200 (204) 204 (208) 208 sts distributed between two needles. These stitches now need to be reduced, so you can continue working the sts for the yoke on one needle. As the front edges are worked in double knitting, the “doubled” number of sts from the collar needs to be kept double at the beginning and end of the needle, to use for the front edges, while the rest of the sts between these are knitted together. This is done as follows:

Row 1 (RS): * Slip 1 stitch from the back circular needle purl-wise with the yarn held in front of the work, k1 from front needle *, work from * to * a total of 6 times (meaning there are now 12 sts on the right needle), * k2tog (i.e. knit 1 stitch from the front needle and 1 stitch from the back needle together) *, repeat from * to * to the last 12 sts on the needle (i.e. until there are 6 sts left on the front needle and 6 sts left on the back needle), * k1 from front needle, slip 1 stitch from the back circular needle purl-wise with the yarn held in front of the work *, work from * to * a total of 6 times. There are now a total of 110 (110) 110 (112) 112 (114) 114 (116) 116 sts on the needle.

Row 2 (WS): * K1, slip 1 stitch purl-wise with the yarn held in front of the work *, work from * to * a total of 6 times (and do not work the rest of the sts on this needle). *Place the 12 sts that were just knitted on a large stitch holder or safety pin, also place the 12 sts at the other end of the needle on a stitch holder.* There are now a total of 86 (86) 86 (88) 88 (90) 90 (92) 92 sts on the needle.

Before continuing the work **from the WS**, where the working yarn is, markers are placed on the needle to mark the raglans.

Divide the sts for raglan from the RS as follows:

13 (13) 13 (13) 13 (14) 14 (15) 15 sts (left front), 3 raglan sts, 10 (10) 10 (11) 11 (10) 10 (9) 9 sts (left sleeve), 3 raglan sts, 28 (28) 28 (28) 28 (30) 30 (32) 32 sts (back), 3 raglan sts, 10 (10) 10 (11) 11 (10) 10 (9) 9 sts (right sleeve), 3 raglan sts, 13 (13) 13 (13) 13 (14) 14 (15) 15 sts (right front).

Work the yoke back and forth in stockinette stitch with raglan increases on RS rows. Short rows are also worked to shape the neckline. I recommend using the *German Short Row* technique, when working the short rows (see video at www.petiteknit.com). Work as follows:

Row 1 (WS): Purl to the last 20 sts on the needle, turn.

Row 2 (RS): Knit across left sleeve to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L**, knit across back to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L**, knit across right sleeve to 4 sts before marker, turn. (4 sts have been increased)

Row 3 (WS): Purl to the last 18 sts on the needle, turn.

Row 4 (RS): Knit across left sleeve to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L**, knit across back to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L**, knit across right sleeve to 2 sts before marker, turn. (4 sts have been increased)

Row 5 (WS): Purl to the last 11 sts on the needle, turn.

Row 6 (RS): * Knit to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L** *, work from * to * a total of 4 times, k2, turn. (8 sts have been increased)

Row 7 (WS): Purl to the last 9 sts on the needle, turn.

Row 8 (RS): * Knit to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L** *, work from * to * a total of 4 times, knit to 2 sts after the last RS turn (meaning work the short row stitch from before and then work 2 more sts), turn. (8 sts have been increased)

Row 9 (WS): Purl to the last 7 sts on the needle, turn.

Row 10 (RS): Work as Row 8.

Row 11 (WS): Purl to the last 5 sts on the needle, turn.

Row 12 (RS): Work as Row 8.

Row 13 (WS): Purl to end of row. There are now a total of 126 (126) 126 (128) 128 (130) 130 (132) 132 sts on the needle.

Distribution of sts:

17 (17) 17 (17) 17 (18) 18 (19) 19 sts (left front), 3 raglan sts, 20 (20) 20 (21) 21 (20) 20 (19) 19 sts (left sleeve), 3 raglan sts, 40 (40) 40 (40) 40 (42) 42 (44) 44 sts (back), 3 raglan sts, 20 (20) 20 (21) 21 (20) 20 (19) 19 sts (right sleeve), 3 raglan sts, 17 (17) 17 (17) 17 (18) 18 (19) 19 sts (right front).

The neckline shaping is now completed. Continue working back and forth in stockinette stitch with raglan increases on the RS rows, until the double knitted front edges need to be worked. Work as follows:

Row 1 (RS): * Knit to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L** *, work from * to * a total of 4 times, knit to end of row. (8 sts have been increased)

Row 2 (WS): Purl to end of row.

Work Rows 1 and 2 a total of 24 (24) 24 (25) 25 (26) 27 (27) 27 times. There are now a total of 318 (318) 318 (328) 328 (338) 346 (348) 348 sts on the needle and 30 (30) 30 (31) 31 (32) 33 (33) 33 rows of raglan increases have been worked on the back.

Distribution of sts:

41 (41) 41 (42) 42 (44) 45 (46) 46 sts (left front), 3 raglan sts, 68 (68) 68 (71) 71 (72) 74 (73) 73 sts (left sleeve), 3 raglan sts, 88 (88) 88 (90) 90 (94) 96 (98) 98 sts (back), 3 raglan sts, 68 (68) 68 (71) 71 (72) 74 (73) 73 sts (right sleeve), 3 raglan sts, 41 (41) 41 (42) 42 (44) 45 (46) 46 sts (right front).

Before finishing the yoke, the double knitted front edges need to be worked. After this, the yoke and the front edges are joined on the circular needle and the rest of the yoke is worked in the round. Break the yarn and let the sts rest.

Right front edge

Pick up and knit 48 (48) 48 (50) 50 (52) 54 (54) 54 sts from the RS with a 2.5 mm [US1½] / 60 cm [24 inches] circular needle along the right front edge (from the bottom and up to the neck). This is the equivalent to picking up and knitting 1 stitch in every row.

Now place the 12 resting collar sts on the other tip of the 2.5 mm [US1½] circular needle (so the 48 (48) 48 (50) 50 (52) 54 (54) 54 picked up sts are sitting on one tip of the needle in your right hand and the 12 sts from the collar are sitting on the other tip in your left hand). Work a double knitted edge as follows (please note that short rows are *not* worked when it says 'turn' in the pattern now):

- Row 1 (RS): Slip 1 stitch from the right needle to the left needle, k2tog, slip 1 stitch purl-wise with the yarn held in front, * k1, slip 1 stitch purl-wise with the yarn held in front *, repeat from * to * to end of row.
- Row 2 (WS): * K1, slip 1 stitch purl-wise with the yarn held in front *, work from * to * a total of 6 times, turn.

Work Rows 1 and 2 a total of 48 (48) 48 (50) 50 (52) 54 (54) 54 times, i.e. until all of the picked up sts have been worked into the edge and there are 12 sts left on the needle.

Now work a row where the sts of the double knitted front edge are reduced by half as follows:

- Row 1 (RS): * Slip 1 stitch knit-wise, k1, pass the slipped stitch over the knitted stitch *, work from * to * a total of 6 times. There are now a total of 6 sts on the needle.

Slip the 6 sts onto the 4 mm [US6] circular needle that the rest of the yoke sts are sitting on and break the yarn.

Left front edge

Using the short end of the yarn, pick up and knit 48 (48) 48 (50) 50 (52) 54 (54) 54 sts from the RS with a 2.5 mm [US1½] / 60 cm [24 inches] circular needle along the left front edge (so the working yarn is attached at the top by the collar end the tail is hanging at the bottom).

Push the sts to the opposite end of the circular needle, so work can continue at the end where the working yarn is attached.

Now place the 12 resting collar sts on the other tip of the 2.5 mm [US1½] circular needle (so that the 48 (48) 48 (50) 50 (52) 54 (54) 54 picked up sts are sitting on one tip of the needle in your right hand and the 12 sts from the collar are sitting on the other tip in your left hand). Work a double knitted edge as follows:

Row 1 (WS): * Slip 1 stitch purl-wise with the yarn held in front, k1 *, repeat from * to * to end of row.

Row 2 (RS): * Slip 1 stitch purl-wise with the yarn held in front, k1, * work from * to * a total of 5 times, slip 1 stitch purl-wise with the yarn held in front, slip 1 stitch knit-wise, k1, pass the slipped stitch over the knitted stitch.

Work Rows 1 and 2 a total of 48 (48) 48 (50) 50 (52) 54 (54) 54 times, i.e. until all of the picked up sts have been worked into the edge and there are 12 sts left on the needle.

Now work a row where the sts of the double knitted front edge are reduced by half as follows:

Row 1 (WS): * P2tog *, work from * to * to end of row. There are now a total of 6 sts on the needle.

Row 2 (RS): K6.

Let the 6 sts rest on the 2.5 mm [US1½] circular needle, while the work continues to the 4 mm [US6] circular needle across the rest of the yoke sts, from the RS (so do not break the yarn).

Yoke

The entire yoke is joined on the next row. From now on the yoke will be worked in the round on the 4 mm [US6] circular needle. The two double knitted edges are overlapped, so the right front edge is sitting in front of the left front edge when the yoke is joined. Work as follows, from the RS on a 4 mm [US6] / 80 cm [32 inches] circular needle (note that the 6 sts from the left front edge are still resting on the 2.5 mm [US1½] circular needle):

Joining row: * Knit to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, **M1L** *, work from * to * a total of 4 times, knit to the last 6 sts on the needle. Place the 6 resting sts (on the 2.5 mm [US1½] circular needle) behind the last 6 sts on the needle and knit the two sets of sts together by k2tog (i.e. knit 1 stitch from the front needle and 1 stitch from the back needle together) until all 6 overlapping stitches have been worked (8 sts have been increased). There are now a total of 332 (332) 332 (342) 342 (352) 360 (362) 362 sts on the needle.

This is now the beginning of the round. Distribution of sts:

42 (42) 42 (43) 43 (45) 46 (47) 47 sts (left front), 3 raglan sts, 70 (70) 70 (73) 73 (74) 76 (75) 75 sts (left sleeve), 3 raglan sts, 90 (90) 90 (92) 92 (96) 98 (100) 100 sts (back), 3 raglan sts, 70 (70) 70 (73) 73 (74) 76 (75) 75 sts (right sleeve), 3 raglan sts, 48 (48) 48 (49) 49 (51) 52 (53) 53 sts (right front).

The total number of sts for the sleeves has now been achieved, so now raglan increases are only worked on the body. Work increases on **every** round as follows (note: does not apply to size XS):

Round 1: * Knit to marker, **M1R**, slip marker, k3 (raglan sts), slip marker, knit to marker, slip marker, k3 (raglan sts), slip marker, **M1L** *, work from * to * a total of 2 times, knit to end of round. (4 sts have been increased)

Work Round 1 a total of 0 (3) 5 (6) 11 (13) 17 (21) 24 times. There are now a total of 332 (344) 352 (366) 386 (404) 428 (446) 458 sts on the needle.

Distribution of sts:

42 (45) 47 (49) 54 (58) 63 (68) 71 sts (left front), 3 raglan sts, 70 (70) 70 (73) 73 (74) 76 (75) 75 sts (left sleeve), 3 raglan sts, 90 (96) 100 (104) 114 (122) 132 (142) 148 sts (back), 3 raglan sts, 70 (70) 70 (73) 73 (74) 76 (75) 75 sts (right sleeve), 3 raglan sts, 48 (51) 53 (55) 60 (64) 69 (74) 77 sts (right front).

Body

The body is worked in the round in stockinette stitch on a 4 mm [US6] / 80 or 100 cm [32 or 40 inches] circular needle and finished with a rib hem.

Now divide the sts for sleeves and body, while casting on new sts at the underarms. Work as follows (see video at www.petiteknit.com):

Knit 42 (45) 47 (49) 54 (58) 63 (68) 71 sts (left front), k3 (raglan sts), place 70 (70) 70 (73) 73 (74) 76 (75) 75 sts on a stitch holder (left sleeve), cast on 8 (8) 10 (12) 14 (16) 18 (20) 24 new sts for the underarm using the backward loop method, k3 (raglan sts), knit 90 (96) 100 (104) 114 (122) 132 (142) 148 sts (back), k3 (raglan sts), place 70 (70) 70 (73) 73 (74) 76 (75) 75 sts on a stitch holder (right sleeve), cast on 8 (8) 10 (12) 14 (16) 18 (20) 24 new sts for the underarm using the backward loop method, k3 (raglan sts), knit 48 (51) 53 (55) 60 (64) 69 (74) 77 sts (right front). Remove all markers.

There are a total of 208 (220) 232 (244) 268 (288) 312 (336) 356 sts for the body. Place a marker for the beginning of the round in the middle of the cast on sts for the left underarm.

Work in the round in stockinette stitch until the blouse measures 44 (45) 46 (47) 49 (50) 51 (53) 54 cm [17 (17¼) 17¾ (18¼) 18¾ (19½) 19¾ (20½) 20¾ inches] mid back without neck edge – or to the desired length.

Work 6 cm [2¾ inches] in 1 x 1 rib (k1, p1) on a 3.5 mm [US4] / 80 or 100 cm [32 or 40 inches] circular needle.

Work double knitting before binding off using the Italian bind off technique (see video at www.petiteknit.com):

Round 1: * K1, slip 1 stitch purl-wise with the yarn held in front *, repeat from * to * to end of round.

Round 2: * Slip 1 stitch purl-wise with the yarn held in back, p1 *, repeat from * to * to end of round.

Bind off using the Italian bind off technique (see video at www.petiteknit.com).

Sleeves

The sleeves are worked in the round in stockinette stitch on 4 mm [US6] double-pointed needles or on a long circular needle using the Magic Loop technique.

Pick up and knit 8 (8) 10 (12) 14 (16) 18 (20) 24 sts in the underarm sts that you cast on for the body. There are now a total of 78 (78) 80 (85) 87 (90) 94 (95) 99 sts on the needles. Adjust the number of sts so you have an even number, if necessary. There are now a total of 78 (78) 80 (84) 86 (90) 94 (94) 98 sts on the needles.

Work in the round in stockinette stitch until the sleeve measures 38 cm [15 inches] from where sts were picked up at the underarm, **while at the same time** working decreases every 12th (12th) 12th (10th) 10th (9th) 8th (8th) 7th round a total of 9 (9) 9 (11) 11 (13) 14 (14) 16 times, by working a decrease round as follows: K1, k2tog, knit to the last 3 sts of the round, ssk, k1. There are now a total of 60 (60) 62 (62) 64 (64) 66 (66) 66 sts on the needles.

Work 5 cm [2 inches] in 1 x 1 rib (k1, p1) on 3.5 mm [US4] needles.

Work double knitting before binding off using the Italian bind off technique (see video at www.petiteknit.com):

Round 1: * K1, slip 1 stitch purl-wise with the yarn held in front *, repeat from * to * to end of round.

Round 2: * Slip 1 stitch purl-wise with the yarn held in back, p1 *, repeat from * to * to end of round.

Bind off using the Italian bind off technique (see video at www.petiteknit.com).

Work the other sleeve identically.

Finishing

Weave in all ends.

Abbreviations

k	knit
k2tog	decrease, knit two stitches together (right-leaning)
M1L	increase, make one left; (see About increases)
M1R	increase, make one right; (see About increases)
p	purl
p2tog	decrease, purl two stitches together
RS	right side of your work
ssk	decrease, slip 2 sts knit-wise, one at a time, insert the left needle from left to right through the 2 sts and knit them together through the back loops (left-leaning)
st(s)	stitch(es)
WS	wrong side of your work
