

DOTTED

RAYS

WEST
KNITS

by STEPHEN WEST

This arched shawl begins at the center with only a few stitches while yarn over increases quickly expand the shape. Garter stitch short row wedges add length to one side forming rays that gradually increase in size. The repetitive knit stitches and rhythmic short rows are easy to work while still keeping your interest, a perfect travel project! Built in I-cord edges and an I-cord bind off outline the entire shape for a clean finish. Choose one yarn or use different stash and scrap yarns for a striped effect.

PATTERN NOTES

For a striped shawl, change colors whenever you like. Change colors at the beginning of any RS row. If you want to have a striped look like the large striped version, then add an accent stripe for the yarn over RS and WS rows like Rows 7 & 8, Rows 9 & 10, Rows 11 & 12, etc... These accent stripes feature a contrasting color for only 2 rows (or 1 garter ridge). Then, knit the entire short row wedge in another color. For strong graphic contrast, select yarn over accent stripes (the single garter ridge stripes) that are much brighter or darker than the short row wedge colors.

The pattern is written in a Small and Large Size, but feel free to bind off after any yarn over WS row when the shawl reaches your desired size.
