INTRODUCTION

Autumn is here and I am desperately trying to preserve the spirit of summer. And I do not only mean preserving fruit and vegetables, I also collect flowers. Dried with their colours washed out, they will still be reminding me the beauty of their youth. I see this design as a bouquet of dried flowers. "Inflorescence" is a botanical term for a group of flowers arranged on a stem.

Worked top down seamless in the round, this round yoke pullover is decorated with stranded colourwork floral pattern with floats on the right side around the yoke, an asymmetric hem and cuffs.

YARN

Main colour: ca. 175 [200, 250, 300, 350] [425, 475, 550, 600] g of fingering weight Darnie from Studio Donegal, 100% merino wool with 410 m (448 yds) in 100 g, shown in shade 8805 (garnet)

with estimated yardage of ca. 718 (820, 1025, 1230, 1435) (1743, 1948, 2255, 2460) m / 784 (896, 1120, 1344, 1568) (1904, 2128, 2464, 2688) yds;

Contrasting colour: ca. 25 [35, 45, 55, 65] [75, 85, 95, 105] g of Kilcarra soft donegal tweed from Donegal yarns, 100% merino wool with 380 m (416 yds) in 100 g, shown in shade 5518 (boyne)

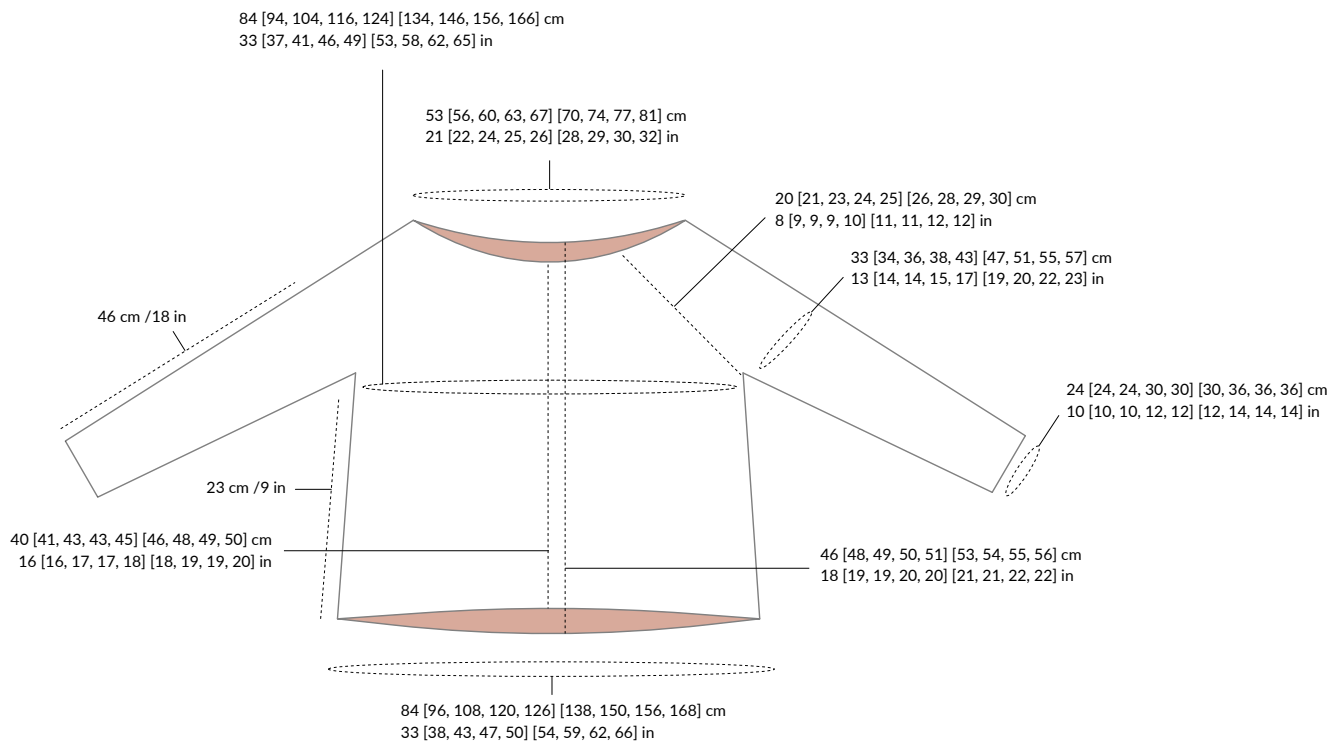

with estimated yardage of ca. 95 (133, 171, 209, 247) (285, 323, 361, 399) m / 105 (146, 188, 230, 272) (314, 355, 397, 439) yds.

Or any similar yarns to match the gauge. And while you can choose almost any yarn for the main colour, as contrasting colour it's best to take the woolly yarn that felts well after blocking and will keep the intended shape of the floats.

GAUGE

20 sts and 28 rows in 10 cm (4 in) measured over stockinette stitch in the round after blocking on 3.5 mm (US 4) needles.

Same or 1-2 sts smaller gauge for the colourwork is required. Use a bigger size needle for the colourwork if necessary. Because of the floats the colourwork is not as stretchy as you might expect.

NEEDLES AND NOTIONS

A pair of 3.5 mm or 4.0 mm (US 4 or 5)
40-80-100 cm (16-32-40 in) circular or
interchangeable needles with spare cables;
stitch markers; 2.5 mm (B or C) crochet hook.

SIZES

The pattern is calculated for nine sizes 1 [2,
3, 4, 5] [6, 7, 8, 9] to fit 74 [84, 94, 104, 114]
[124, 134, 144, 154] cm / 29 [33, 37, 41, 45]
[49, 53, 57, 61] in bust circumference with
ca. 10-12 cm / 4-5 in of positive ease.

For the finished measurements, please refer to
the schematics. The sample is shown in size 2
on a 160 cm / 5.3 feet tall model with ca. 84-
66-98 cm / 33-26-39 in body measurements.

CONSTRUCTION

The pullover is worked top down seamless
in the round. The scoop neck is shaped
with short rows before the colourwork
section of the yoke. The cast-on edge is
reinforced with a round of [decorative crochet
chains](#) after all the sts are bound off.

If you are not sure about your colourwork
gauge, skip the neckline shaping in the
beginning and work those short rows instead
after all the increases of the yoke are done.
Otherwise, if the colourwork is worked
to tight, the neck will be standing up.

Sleeves and body are separated at the underarms.
Sleeves have a classic fit and are shaped with
evenly distributed decreases. Cuffs are finished
with a colourwork section, mirroring the pattern
on the yoke. The body is worked straight until the
desired length. The hem line is shaped with short
rows and finished with another colourwork section.

COLOURWORK

If not specified otherwise, work with the
main colour. In the colourwork section, keep
mc over cc on the WS. Catch floats on the
WS every 4-5 sts to avoid long floats.

Note, that some rnds of colourwork are worked
with a single cc strand whereas others with
the 2 cc strands held together. If you wish
for more texture in the colourwork, feel free
to work all colourwork rnds with 2 strands
of cc yarn held together or go for a heavier
weight cc yarn from the very beginning.

ABBREVIATIONS AND TECHNIQUES

BOR/EOR — beginning of the round;

R/Rnd — row/round;

RS/WS — right/wrong side of work;

LH/RH — left/right hand (needle);

mc/cc — main/contrasting colour;

kx/px — knit/purl x sts with mc;

kxccc/pxccc — knit/purl x sts with cc;

kall/pall — knit/purl all with mc;

st (s) — stitch (es); **rep** — repeat;

ca. — approximately;

f — float — bring cc yarn to the front, knit the indicated sts with mc, bring cc yarn to the back;

k2tog — knit 2 sts together as if they were one (right leaning 1 st decrease);

ssk — slip the next 2 sts, one by one, knitwise, insert the tip of the left needle, from left to right, into the fronts of those 2 sts and knit them together (left leaning 1 st decrease);

m1L — make 1 left — insert LH needle, from front to back, under strand of yarn that runs between next st on LH needle and last st on RH needle; knit this st through the back loop (1 st increase);

w&t — wrap and turn — in the end of the short row, bring yarn to the front, move next st to RH needle, turn your work, move the first st off RH needle to the LH needle, wrapping the yarn around it. Start working the following row from the next st, slipping the “wrapped” st to the RH needle.

CAST ON

Using a long tail cast-on or any other method of your choice cast on 105 [112, 119, 126, 133] [140, 147, 154, 161] sts. Join to work in the round and place BOR marker.

If you find the neck too wide, cast on as many sts as you like and then add one additional rnd with even increases to reach the specified number of sts.

[Crochet bind off](#) all the sts with mc and your crochet hook. Break the yarn and weave in the ends.

If the edge tends to roll add more ribbing rnds like in Rnd 17.

SLEEVES

Return to sleeves and follow these instructions twice to make 2 identical sleeves. Place a BOR marker at the middle of the underarm, pick up 14 [16,14,14,18] [18,18,22,24] sts for the underarm and work as follows.

Rnd1: from the BOR marker k7 [8, 7, 7, 9] [9, 9, 11, 12] sts of the underarm, pick up 1 extra st to avoid a hole,

k50 [50, 55, 60, 65] [74, 82, 86, 88] sts, pick up 1 extra, k the remaining k7 [8, 7, 7, 9] [9, 9, 11, 12] sts to EOR.

You will have a total of 66 [68, 71, 76, 85] [94, 102, 110, 114] sts.

The sleeves are shaped by evenly distributed decreases on the inner side of the sleeve. Decrease by 2 sts in each 12th [11, 10, 14, 9] [6, 7, 6, 5] rnd as follows

— k6, k2tog, k all till 8 sts to EOR, ssk, k6 —

until you have a total of 48 [48, 48, 60, 60] [60, 72, 72, 72] sts left for the colourwork section on the cuffs.

In sizes 3 and 5 in Rnd 2 decrease 1 sts extra to have a total of 70 and 84 sts, respectively.

Keep working the sleeves till the end of Rnd 114 or ca. 41 cm /16 in of length.

If you need more sleeve length, add more rnds by evenly distributing them along the sleeve. Maybe add 1 extra rnd between the rnds with decreases.

CUFFS COLOURWORK

Follow the chart on page 7 and/or written instructions. Note, this colourwork section is also worked with the cc yarn held double.

Rnd 1d: *k1cc, k1; rep from * to EOR.

Rnds 13, 14, 15: kall.

[Crochet bind off](#) all the sts with mc and your crochet hook. Break the yarn and weave in the ends.

FINISHING THE NECKLINE

Use your crochet hook to make a rnd of [decorative crochet chains](#) around the neckline cast-on edge with your mc yarn by pulling the crochet chains through every stitch of the first rnd. This will prevent it from over-stretching and add a nice finish. If your neck tends to roll, this technique might also help tighten the edge up.

BLOCKING

Weave in the remaining ends. Soak the garment in lukewarm water or use a gentle washing machine cycle. Squeeze your garment and roll in a towel to remove most of the water. Pin out to measurements or desired size/shape if necessary and leave flat to dry.
