

Crosscurrents

The body and sleeves of this cardigan are knit without any shaping. So, you can focus and enjoy creating a unique knitted fabric. The Body stitch pattern is a combination of stockinette stitch and a lace pattern, and the lace pattern sections vary in width, creating an asymmetrical look.

This pattern gives you a choice of chest and length. The photos show one top in the regular fit with longer length and another top with oversized fit with shorter length. Different combinations of chest and length give totally different looks. You can wear it closing fronts with a button if you prefer.

PATTERN NOTES

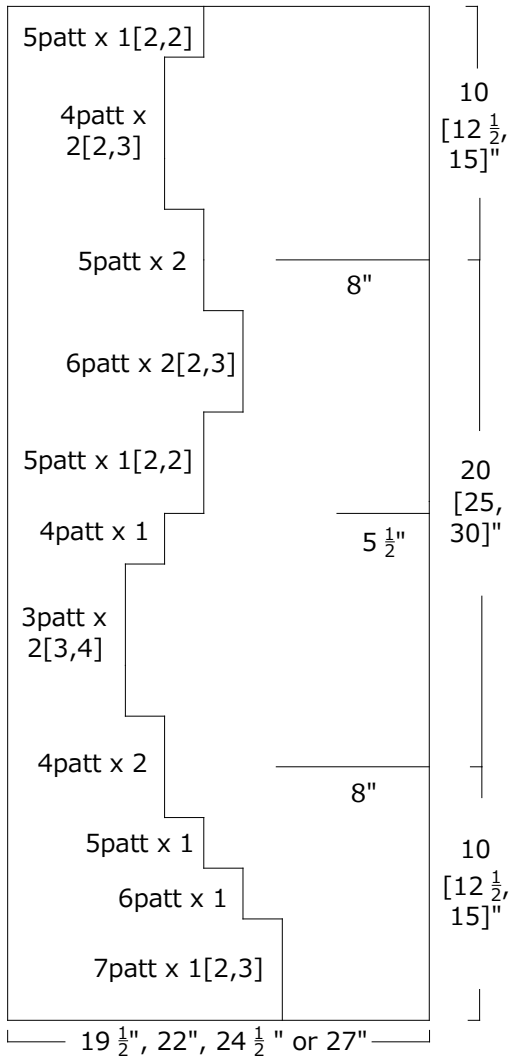

- This cardigan is worked sideways from Right Front Body to Back, then Left Front Body. Then the sleeves are picked up and worked outwards from the body.
- This pattern is written for a 40" chest with instructions for the larger sizes in parentheses. If there is only one number, that number applies to all sizes.
- Sleeves: Choose between a depth of 6", 7" or 8". Because you can try on the garment before working the sleeves, you will get a better idea of the garment on your body and don't have to decide on sleeve depth until then.
- Markers are used for pattern repeats. They may slide over to the next space, especially because the pattern includes yarn overs. Try a larger marker or one with a drop, and they won't be able to move over it easily.

SLEEVES

- Choose the sleeve depth (6", 7" or 8"): The 1st removable markers are marked at the 6" depth, then 7", 8". Try on the garment, and see which sleeve depth you like. Keep the markers for the sleeve depth you have chosen and remove the others.
- Measurements of center back neck to cuff is 20" for all sizes. However, cuffs may end a little longer than 20" when it is worn.
- Weigh your leftover yarn. You can use up to 50% of the weight for the 1st sleeve. This helps you complete your project without running out of yarn especially if making the sleeves longer.

Sleeve depth 6"

Sleeve depth 8"

With RS of Body facing and using 16" length circular needles, pick up and knit 66 sts for 6" depth, 76 sts for 7" depth, 86 sts for 8" depth from marker to marker on the other side.

Note: If you made any additional bind off/cast sts on rows 1-2 on Right Back and Left Front, pick up and knit the additional sts. Then work in stockinette stitch as instructed. But on the last row (WS) of Stockinette stitch, adjust stitch counts to "multiple of 5 sts plus 1 st" to work for cuff.

Purl one row.

Work stockinette stitch (Knit on RS, Purl on WS) for 68 [50, 32] rows.

Adjust sleeve length

If you prefer shorter/longer sleeves, work less/more rows of stockinette stitch here, and make sure the last row worked is on a WS row. A 3/4" cuff will be added.

Work cuff as follows:

Row 1 (RS): P1, *move the yarn to the back, insert RH ndl from front to back between 4th and 5th sts, and draw through a loop, k1 from LH ndl, then pass the drawn loop over the k st, k3, p1, rep from *.
