PATTEN NOTES

- The Front and Back are worked sideways. Then the sleeves are picked up and worked outwards from the body.
- If you use Cotton Fine, you will work with two strands of yarn held together throughout.
- This pattern is written for the chest 48" with instructions for the larger sizes in parentheses. If there is only one number, that number applies to all sizes.
- Make sure that you work the ktbl and ptbl sts as indicated. These twisted stitches keep the edges of each 10 [11, 12] st group crisp when you drop the sts between the groups.
- The body doesn't look lacy like photos until you unravel all dropped stitches.
- Tunic length is available. (see the last page for more details)
